## **1.1. Behaviour**

Breaches of the code of conduct before and during the match must be reported immediately to the ELC staff. Any post game reports may not be taken into account as they may constitute acceptance of the team to overlook the problem.

## **1.2. General Behaviour**

- Any form of harassment must be reported immediately to the ELC Staff. Harassment includes, but is not limited to, offensive statements or actions related to sex, gender identity and expression, age, sexual orientation, disability, physical appearance, body size, race, religion.
- Harassment is also considered sexual imagery in public spaces, deliberate intimidation, stalking, stalking, stalking by following, photographing or recording, sustained interruption of discussions or other events.
- Similar restrictions apply not only to teams and players, but to every person involved or present at an ELC stadium. Anyone who violates this code of conduct may be punished, including but not limited to expulsion.

## **1.3. Spam**

- Sending messages to the point of annoyance, whether in-game or out-of-game, is considered spam.
- Spamming will result in a warning, and continued spamming after a warning has been given could result in a Ban.

## **1.4. Names and Logos**

- Specific teams or players may be asked to change their name or logo if this is deemed offensive or inappropriate by ELC Staff as highlighted in section 7.4.
- If a team or player does not comply with the request for a name or logo change, they may be disqualified.
- Names / Avatars must not contain any offensive or racist content. If you encounter a player who violates this rule, please submit relevant evidence (screenshot/recording) to the ELC Staff so that action can be taken against the player in question.

## **1.5. Confidentiality**

## **2. Region**

Attempting to interfere with the connection, such as throttling the bandwidth of a PC or internet network is against the Rules. Abusing any such methods may result in disqualification or bans.

The default Server Location is EUW.

### **2.2. Player Location**

All Players must be based in one (1) of the following countries: Albania, Andorra, Armenia, Austria, Azerbaijan, Belarus, Belgium, Bosnia and Herzegovina, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Georgia, Germany, Greece, Hungary, Iceland, Ireland, Italy, Kazakhstan, Kosovo, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Moldova, Monaco, Montenegro, Netherlands, North Macedonia, Norway, Poland, Portugal, Romania, Russia, San Marino, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Ukraine, United Kingdom and Vatican City.

### Other ELC divisions

#### Major Division

1st Place: EUR 30 -

## **4. Tournament Format**

### **4.1. Current Format**

The Tournament Format will be best-of-one (BO1) Round Robin. Each Team plays another Team once during a Stage. A win without overtime awards three (3) Points, a loss without overtime zero (0) Points. A win of a Match with Overtime awards two (2) Points, while an Overtime loss awards one (1) Point.

### **4.2. Tiebreakers**

4.2.1. The following Tiebreaker rules shall apply to resolve ties in the event that multiple Teams have the same number of Points:

- Round Difference
- Head-to-Head
- Match Win Percentage
- Round Win Percentage
- Tiebreaker Match

4.2.2. Application of the Tiebreaker Rules: These Tiebreaker Rules act sequentially. If there is a set of tied Teams, and a rule is able to break at least part of the tie, this rule is applied and we move-on to the next rule to break the remaining tied Teams (i.e. if there are three (3) Teams tied and the first rule is able to break the set of three (3) tied Teams into one singleton and a pair of two (2) Teams who remain tied then the tie is broken for the singleton Team and the other two (2) Teams proceed to the next tiebreaker rule in order to break their tie if needed, and so on).

4.2.3. If two (2) or more Teams have the same number of points in the Point System, the first Tiebreaker is Round Difference. To calculate the Round Difference, all the rounds lost are taken off the rounds won. The team with the highest remaining number of rounds wins the tiebreaker. The second tiebreaker is head-to-head records. To calculate the head-to-head tiebreaker, the Teams who are tied are listed, then the total number of wins, ties, and losses that each Team has against the other Teams involved in the tie is calculated. The Team who has the best win-rate amongst the set of tied Teams qualifies.

### 4.3. Map Pool

- I. Bank
- II. Chalet
- III. Clubhouse
- IV. Kafe Dostoyevsky
- V. Oregon
- VI. Villa
- VII. Border
- VIII. Skyscraper
- IX. Theme Park

### 4.4. Map Selection

A match of Rainbow Six: Siege begins with a map ban sequence where both teams alternate banning and selecting maps of the official map pool in a predefined order that varies depending on the match format; in order to determine which map is (are) played throughout the match. The following table presents the sequence of bans prior to a match between team “A” and team “B”, for each match format:

Mapban Sequence	
Best of 1	The choice of the Team which bans first is random.

	A Ban – B Ban – A Ban – B Ban – A Ban – B Ban – A Ban – B Ban – Map played
Best of 2	The team whose name appears on the left side of the channel/ on the Google Sheets is labelled team A. Roles are inverted for the second map.  B Ban – A Ban – B Ban – A Ban – B Ban – A Map pick – B Ban – B Ban – B Map pick
Best of 3	The team whose name appears on the left side of the channel/ on the Google Sheets is labelled team A. “Side selection” goes to the other team for the second map. Coin toss to determine who gets “side selection” for the decider map.  A Ban – B Ban – A Ban – B Ban – A Pick – B Pick – A Ban – B Ban – Decider
Best of 5	If the format of the competition this is used for features a Single Elimination bracket: coin toss, winner chooses either “side selection” once a map is selected or “who bans a map first”. “Side selection” goes to the other team for the second map. New coin toss to determine who gets “side selection” for the decider map.  A Ban – B Ban – A Pick – B Pick – A Ban – B Ban – A Pick – B Pick – Decider  If the format of the competition this is used for features a Double Elimination bracket, the team coming from the Upper Bracket (UB Team) chooses the map ban sequence out of the 3 options below. Side selection on the first 4 maps goes to the team that didn’t choose that map, a coin toss will determine who gets “side selection” for the decider map.  <ol style="list-style-type: none"> <li>1. UB Team Pick / LB Team Ban / UB Team Ban / LB Team Pick / UB Team Ban / LB Team Ban / UB Team Pick / LB Team Pick / Decider</li> <li>2. LB Team Ban / UB Team Ban / LB Team Pick / UB Team Pick / LB Team Ban / UB Team Ban / LB Team Pick / UB Team Pick / Decider</li> <li>3. UB Team Ban / LB Team Ban / UB Team Pick / LB Team Pick / UB Team Ban / LB Team Ban / UB Team Pick / LB Team Pick / Decider</li> </ol>

In each of those ban sequences, should any map go to Overtime, the team that didn’t get “Side Selection” on said map, will get “Overtime Side Selection”.

#### 4.5. Match Settings

## 4.6. Scheduling

4.6.1. Scheduling games: For Leagues (or Season), teams must agree on a match time. All matches must start as indicated in the official communication or as soon as the previous match is over (for Tournaments and FastCup). Any change in the start time must be approved by the ELC staff.

4.6.2. Default fixture: If there is no agreement between the Teams, the match is played at :

- 20:30 CET / CEST on Thursday for the 1st Playday of the week
- 20:30 CET / CEST the following Monday for the 2nd Playday of the week

4.6.3. On game day: All participants must be ready 15 minutes before the scheduled time of each game. A delay of fifteen (15) minutes after the scheduled start time will be accepted. The match will start after fifteen (15) minutes of delay even if both teams are not complete otherwise the team which is short in members will be forced to declare forfeit and will receive a penalty of -1 point (in the classification for the Leagues) as highlighted in section 7.6.1.2.

## 4.7. Match Procedure

4.7.1. Hosting: The Left team on Liquipedia (or Google Sheet) must host the game. Match settings are displayed in section 4.5. The map veto sequence is displayed in section 4.4.

4.7.2. Late Player: If a player is delayed beyond fifteen (15) minutes, they will have to wait for the end of the map (in Best of 3 and Best of 5) before joining the game. In case of delay of a player (beyond 15mins), the player will have to wait for the end of the map (in BO3/5). In Best of 1 (BO1) game, the team in inferiority must finish the match in inferiority (unless the opposing Team accepts that the player joins the match).

If you notice at any time that you will be late for a game, please inform the ELC Staff as soon as possible ! Any delay caused by a late arrival may result in penalty points.

4.7.3. Eligible Players : A match can only be played with players registered on the Google Sheets. Otherwise, the team will be subject to sanctions.

4.7.4. In game chat: In-game chat may only be used for match related topics as highlighted in section 9.1.2. Violation of this rule will result in sanctions.

4.7.5. Ping: Players are responsible for their own connection and the maximum ping allowed is **110 ms constant**. To be classified as a constant high ping, players' ping must remain above **110 ms** and the necessary photo/video evidence must be provided. When opening a protest due to high ping, this must be done whilst the game is still in progress (using the pause option). The team must submit at least three screenshots of the

scoreboard which were taken at different times over two rounds with the high ping visible from the same player (in the action phase!).

If a player's ping exceeds the limits, a rehost (RH) will be attempted. If the player still has a high ping, the NEU server location can be tried. And if the ping is still high, the team will have to replace the player in question (except BO1), or play in inferiority or forfeit the match (if a player does not join 10 min after a crash).

4.7.6. Unexpected Interruption: If a match is accidentally interrupted for any reason (e.g. player crashes, server crashes, network outages), the ELC staff MAY decide to restart the match with the score of the game before the problem occurred in order to ensure the competitive integrity of the match.

4.7.7. Pausing the game: The rehosts are replaced by the pause function, except in these two cases (Crash or Bug) :

- During the preparation phase,
- If no player has been killed in the first 30 seconds of the Action Phase.

Beyond that, the round will have to go to an end then the match is paused (if the pause lasts more than 10 min, then a rehost will be necessary). If a team leaves the game because of a support ticket, it will not count as a rehost. The ELC Staff may decide that several rehosts are appropriate depending on the circumstances, for example Ubisoft servers have problems.

4.7.8. During the match:

- If a match is interrupted, it must be continued where it left off.
- If a round has to be replayed due to a new hosting, players must choose the same operators, the same bomb sites and the same equipment.
- If a team does not resume play 10 minutes after a new host, the ELC Staff must be informed. Additional time can be granted by the Staff depending on the circumstances.
- Teams have the right to 2 substitutions per game (between the Maps).
- A pause of 5 minutes is allowed between each map..
- Spectators are allowed only if both teams agree..
- If an ELC Referee or ELC Streamer wants to spectate the game, the teams will not be able to deny them hosting the game.

4.7.9. After the Match : After the game, whether it has been casted, observed or not, the teams must do the following:

- One of the Two Team managers/ captains must take a screenshot of each map in the match room to avoid any dispute when posting the scores.
- If after 24 hours no complaint has been made, the result will be final.
- The Staff reserves the right to intervene on the score in case of non-compliance with the rules.
- In the event of a dispute, the score of the match may be changed, reversed or maps may be replayed.
- Please bring evidence (images, screenshots, video...) to facilitate the risk of false claims. Claims will be made in the "complaint-claims" section on the Discord.

- Each complaint will be studied by the staff as soon as possible, the sanctions will be applied after the vote of the staff taking into account the seriousness of the facts but also the history of the team or the player concerned.
- The host is responsible for the conduct of the game and the observance of the in-game rules, in case of misconduct he will be subject to a probable sanction (warning, banning from the host or banishment).
- The player who does not respect the in-game rules may be warned, banned or other sanctions depending on the seriousness of the error.
- A score entered in a match that has not been played is considered a false score and will be punished according to our rules and could result in the disqualification of the team.

4.7.10. Match Related Files : All files related to the match, such as screenshots of the results, MOSS files must be kept at least 2 days after the end of the competition. Falsifying or manipulating such files is prohibited and may result in disqualification or other sanctions.

#### **4.8. Rehosts and Tactical Pauses**

Before Teams will be allowed a Re-host, a Technical Pause will be issued to allow any affected Players to rejoin the Match Lobby. If the affected Players cannot rejoin, then a re-host may take place under the following conditions:

- A. Any issue before the Preparation Phase begins (e.g. game, software or hardware related)
- B. If a Player cannot move: Re-host in the first thirty (30) seconds of the Action Phase, if no Player has taken damage
- C. A game mechanic is not working as intended (e.g. shooting, reloading, moving, gadgets, equipment): Re-host up to the first thirty (30) seconds of the Action Phase, if no Player has taken damage
- D. Observer issue: Re-host up to the first thirty (30) seconds of the Action Phase, if no Player has taken damage

Each Team may receive up to one (1) Re-host per Map.
